Tera Shield Pro Invisible Windshield Protection Film incorporates a surface coating prevents contamination and the water-repellent coating layer ensures clear vision.

Tera Shield Pro Invisible Windshield Protection Film is optically clear with no refraction. The highly elastic and flexible new material protects the windshield and driver from impacts such as stone chips while driving.

Tera Shield Pro Invisible Windshield Protection Film incorporates self-healing properties. It also is treated to offer IR sunlight radiation protection. The base polymer is highly resistant to yellowing over the long term.

** Complex, compound curve windshields are extra. Ask for your custom quote!*

We also rent Mercedes Benz sedans @ \$75 per day.
